

April 2010

**Gear up for Ride + Stride
Saturday 11 September, 10am - 6pm**

**A nationwide event which raises money to save our historic
churches**

**10,000 churches will throw open their doors to welcome cyclists
and walkers**

**"No feature of the English countryside is more important, or potentially more
vulnerable, than its churches. That's why I am so delighted to support
Ride + Stride."**

Bill Bryson

Explore and enjoy the countryside by taking part in *Ride + Stride*, a sponsored walk or bike ride between 10,000 churches. *Ride + Stride* involves over 13,000 people of all ages, crosses 34 counties and opens the doors to some of the landscape's most unusual and unknown churches.

Cyclists and walkers in Cumbria might like to visit the charming Newlands Church based in the hamlet of Littleton; Beatrix Potter's *Mrs Tiggy Winkle* was dedicated to the Vicar's daughter. In Dorset, participants could head over to Loders' St. Mary Magdalene's Church, to offer sympathy and support to its gargoyle with toothache.

Riders and striders in Wiltshire can picnic by Bremilham Church in Cowage farmyard, the tiniest church in the UK, which has one pew and seats four. Or head over to Kent and spend the day on Romney Marsh visiting St Clements Church, Old Romney which boasts pale pink pews, having been painted for the filming of *Dr Syn* in the 1960s, and which were kept because the parishioners liked them. Or wander to St Thomas a Becket in Fairfield, which sits in the middle of a meadow that was only accessible by boat until the 1960s.

Ride + Stride is ideal for the young and old, the energetic and the more relaxed. In 2009, the oldest participant was a 101 year old lady from Oxfordshire who walked between six churches in hilly countryside; the youngest was still in his push chair. Some walk between two and three churches, others are more ambitious – one inspired rambler spent two weeks running 630 miles along the South West Coastal Path from his local church, St John the Baptist, Buckhorn Weston to Poole in Dorset.

There is also the opportunity to relax and recharge between journeys, with most churches offering a display of snacks and drinks, from cakes and biscuits to home grown plums and orange squash.

In 2009, *Ride + Stride* raised over £1.5 million to help preserve some of Britain's 47,000 churches, chapels and meeting houses. Many historical landmarks are falling into severe disrepair and need our help. Cyclists and walkers raise money for their favourite church or chapel, as well as the County in which they take part.

Ride + Stride is supported by The National Churches Trust, in partnership with County Churches Trusts nationwide. Keen cyclist and Channel 4 news presenter, Jon Snow, is the patron.
